

# Sports Injury Screening

Henry Mayo Newhall Hospital's Outpatient Therapy Services is pleased to provide FREE injury screening to athletes of all ages. Screenings will be available at our Golden Valley Center Clinic and on the hospital's main campus in the Ambulatory Care Center.

## The screening includes:

- Assessment by a licensed physical therapist
- Recommendations for home care
- Referrals to appropriate physicians and specialists

Appointments are required, please contact one of our convenient locations to schedule. The injury screening is intended for sports injury patients only. This is an injury screening only and no treatment will be performed.

Let us be a part of your athletic care team.
